!! IMPORTANT INFORMATION !!

Dear Parents,

CR Kids Movies is a free, family-friendly Saturday morning movie program for children in grades K-8, hosted by various local churches.

Movies and refreshments are completely **FREE!**

Why We Do This

We aim to provide good, wholesome material to the next generation—offering positive, uplifting, and educational movies that reinforce biblical truths, traditional values that build character, and highlight the heritage of our nation—so children can grow up with strong values.

How It Works

A group of concerned citizens organizes and funds these events. Churches host the sessions to offer wholesome, educational entertainment.

Bring the kids out to a FREE movie. We hope you enjoy!
